CINCINNATI,

ST. FRANCIS DE SALES' CHURCH.

Messrs. Benziger Brothers:

I beg herewith to extend to you my sincerest thanks for the truly magnificent set of Vestments you have furnished us. It is evident that no pains and outlay have been spared to make them very valuable.

Much pains have been taken in drawing the designs, which are entirely original, and especially made to correspond to our Church and new marble Altar. Great taste has been manifested in the exquisiteness of the workmanship. The material is of the finest moire antique, and best quality of gold, and by this you have added another to your many encomiums for truth and honesty.

The Vestments must be seen to be properly appreciated. You have certainly done far more than was anticipated. I hope they may long be an ornament to our Church, and an honor to your old and reliable firm.

Very thankfully yours,
REV, AUG, M. QUATMANN.
